

Delivery Policy

Document ID: DEL-POL-04

Document Type: policy

Version: 2.0

Effective Date: 2026-01-01

Expiry Date: 2027-12-31

Owner: Logistics & Delivery

1 Purpose

This policy defines VoltHaven Electronics' delivery commitments, how delivery problems are handled and when customers are eligible for delivery compensation.

2 Delivery Options and Commitments

Standard delivery arrives within 5 business days of dispatch. Express delivery arrives within 2 business days of dispatch. Business days exclude weekends and public holidays. The committed delivery date shown at checkout is the reference date for all delay calculations.

3 Order Tracking

Every shipment receives a tracking number by e-mail within 24 hours of dispatch. Agents must check the courier tracking status before responding to any delivery complaint.

4 Delayed Deliveries

4.1 Verification

A delivery is delayed when it has not arrived by the committed delivery date. The agent must verify the shipment status and confirm a revised delivery date with the courier before promising any date to the customer.

4.2 Lost Parcels

A parcel with no tracking movement for 7 consecutive business days is treated as lost. For a lost parcel the customer may choose a free replacement (subject to stock) or a full refund of the item and shipping cost. A courier investigation must be opened for every lost parcel.

5 Compensation

5.1 Eligibility

Compensation applies only to delays caused by VoltHaven or its couriers. Delays caused by an incorrect address supplied by the customer, a failed delivery attempt where the customer was unavailable, or customs inspection are not eligible.

5.2 Late Delivery Compensation

If a standard order arrives more than 5 business days after the committed delivery date, the customer is eligible for a store credit of 10% of the order value, up to a maximum of USD 50. If an express order arrives after its committed date, the express shipping fee is refunded in full.

5.3 Limits

Agents may not offer cash compensation for delivery delays. Compensation above the limits in section 5.2 requires Customer Relations manager approval and is treated as a policy exception.

6 Damaged in Transit

Items damaged in transit must be reported within 48 hours of delivery with photographs of the item and packaging. Verified transit damage qualifies for a free replacement or a full refund under the Refund Policy (REF-POL-01).

7 Wrong Address Deliveries

If VoltHaven delivered to an address other than the one on the order, the case is handled as a lost parcel under section 4.2. If the customer supplied the wrong address, the agent may help redirect the parcel but no compensation applies.
